Membership:

On Disc Golf Scene Dayton sets up a tournament for December 31st. They are able to get names, e-mails and membership fees all year long. No real tournament. Following year set up a new tournament.

We have set it up and it is up and running. The goal of allowing club members early registration worked well. Early returns are good.

This method will let them be able to get the PDGA Discount, Have to be a club member by a certain date to be eligible for early registration.

We want to have early PDGA tournament sign-up for members.

Would like to give members early sign up to the Pig.
