Winton Woods:

Woodland Mound: They replaced Three teepads. That is all the work the plan on doing

for now.

### City of Cincinnati:

Mt. Airy:

Burnet Woods: Now has a sign with a mailbox of scorecards. Pete and Adam went to the meeting. Two park members were there. Instead of pushing back to make it 18, they are now looking to go with it. May even do concrete tees, add new baskets and get tee signs. They are even good to use the back nine that we have used for CCS's.

Dunham:

### Anderson Township

Johnson Park: Still on to be done in the fall. Parks started clearing out the hole 18 fairway. Working on the final shelter. Pete is talking with a eagle scout about a project. Pete does not want to stake it until, the job the job is ready.

Hueston Woods:

Gardner:

Heritage:

Williamsburg: Concern was to spend the money and not have the time to put in all of the tee pads. Long term they want to put in around 20 tee pads. We are willing to donate the money to help, but need to have a plan for a few tee pads at a time. Or to come up with a full plan to have it done for a day.

Check with Goshen about possible wood for frames. Drew has set up a possible skid steer driver to help with moving concrete. Working on new proposal.

May need two more baskets as well.
