Conference call on Friday with the CBB to finalize the hotel agreement.

Big Meeting in January. Started to discuss opening ceremony. Finalizing schedule for six advanced divisions. Try to make some promotional t-shirts to sell cheap to promote Cincy at other tournaments. In February facebook live meeting Q&A for this.

Could be the largest in history. Course in summit park is now in question, the EPA says it is now a wet lands. Still will hold the final nine there.

Summit officially said yes, to us using the park. Players meeting, skills challenge, flymart final nine. More like an opening ceremony to involve the public. Putting in a 18 hole course. Flymart should have carnival style games. Can win door prize tickets. Starting to make the schedules for the various players. A lot is set, just need to pretty it up.
